

CAPABILITY STATEMENT

STRATEGIZE + OPTIMIZE + ACTION = RESULTS

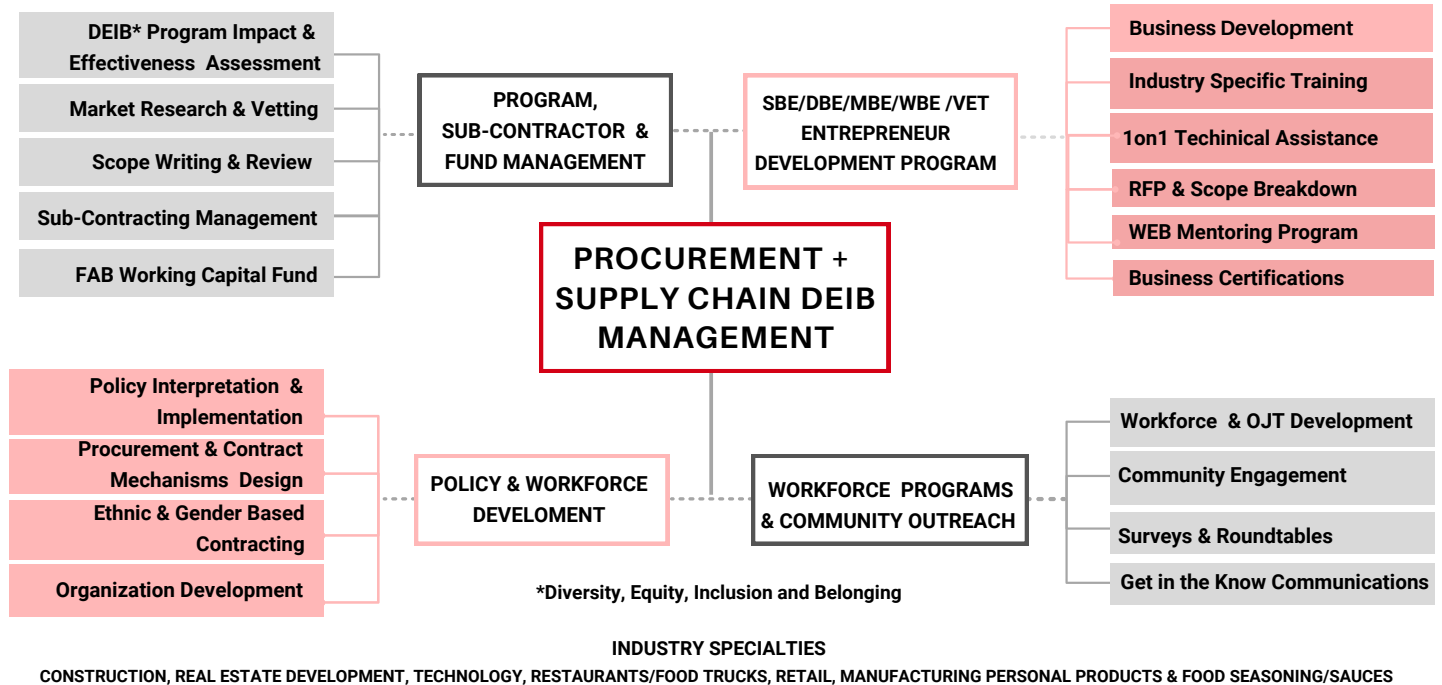

MaKee Company is a strategic consulting company that provides a unique Procurement Supply Chain management service-catered to government agencies and the private sector, striving to work with minority, women and Veterans owned small businesses. We have created a patent pending business solution that connects these entities to qualified subcontractors, based on spend dollars, opportunities, education, and the value of relationships and leveraging.

DIFFERENTIATORS

- MKC's expansive experience and understanding of the procurement process allows us to **assist our clients at all spend levels and phases of contracting for goods, services, technology, and construction**
- We believe in strategic collaboration - assisting our clients in achieving their vision and project objectives of **purposefully contracting with small, minority, women, and veteran disadvantaged businesses**
- We capitalize on our **Wholistic** approach, using our knowledge of the **interdependencies in the procurement eco-system** - we break silos and challenge the process to be better by writing intentionally race, ethnic, and gender conscious policies
- Our proven track record of delivering customized solutions **go beyond project goals**, reaching historically disadvantaged businesses through an education based vetting process
- Our 144 point system provides a **network of verified businesses**- certified as *small, minority, women and disadvantaged businesses - deemed to be "ready, willing, and able"*
- Over the course of three years, we have assisted 210 minority and women owned businesses - **127 received contracts with a combined valued of over \$42.3M** -in the private and public sectors (3rd party performance evaluation)
- **At MKC, we don't hand you the manual and leave; we roll up our sleeves and dig in!**
